Dear Kelli and The Ryan Foundation,
Thank you so much for providing us
dinners for our families. Being able to
offer them a meal at the end of their
long day is so essential. We truly
appreciate you. Thank you too for the
arts and crafts. The children will enjoy
hours of fun -- the perfect distraction
from the challenges and stresses they
face every day.

We are grateful for volunteers like
your organization that helps us continue
our mission.
